Shawn,
I understand you are trying to track down a press inquiry. I think this is it. I sent to Betsaida and she asked that I work with you and Terri on a response. Not sure if Terri has contacted Bridget yet to find out what she wants to know but we will let you know before saying anything.

Please follow up---Received a call from Bridget DiCosmo Ex. 6 - Personal Privacy with Inside EPA wanting a NFA (not for attribution) interview on the Dimock situation, specifically she has heard that there have been communications issues between R3 and HQ and wants to get background information. Thanks.
